

QUALITY, HEALTH, SAFETY AND ENVIRONMENT (QHSE) POLICY

We will continue to make every effort to sustain our market leadership & increase our market share by striving for the highest QHSE standards in manufacture, supply and installation of all concrete products.

We assign prime importance to health & safety of our Employees, Contractors, and Visitors and to protect our Equipment and Machinery with focus on QHSE improvements.

We are committed to comply with all the applicable statutory laws of the Sultanate of Oman and the rules, regulations and practices of our own group organization.

We are committed:

- To maximize our shareholders return by increasing our market share and reduction of costs.
- To implement & comply with our quality, health, safety and environmental management systems.
- To continual improve of our QHSE systems through periodic review and prompt action.
- Prevention of injury & ill-health by adopting proactive measures.
- To offer products & services as per market requirements and maximize customer satisfaction through excellent product quality, service & timely delivery.
- To comply with all the relevant quality occupational health, safety & environmental legislations and other requirements relevant to our product range, significant aspects & risks.
- To prompting a healthy & safe environment by consulting & co-operating, improving our QHSE environment by providing information, instruction, training & supervision to our employees, contractors, visitors & other interested parties.
- To prevent environmental pollution by adopting appropriate waste management, recycling & significant emissions reduction techniques.
- To ensure a safe working environment for our employees, contractors & visitors by adopting safe working systems & minimization of risks.
